YEAR ENDED 31 DECEMBER 2017

TRUSTEES' ANNUAL REPORT

The trustees present their report for the year ended 31 December 2017

The financial statements have been drawn up in accordance with the accounting policies set out in note 1 to the financial statements and comply with the charity's constitution, the Charities Act 2011 and Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard 102.

OBJECTIVES, ACTIVITIES AND PUBLIC BENEFIT

The Guild was founded in 1887 by Father Philip Fletcher MA, KCHS and Lister Drummond QC, KSG with the aims of providing support for Roman Catholic parishes in England and Wales. The three special aims and objectives of the Guild are (a) the conversion of England and Wales in general, and of individuals in particular (b) the rescue of apostates and those in danger of apostasy and (c) the forgotten dead, who, owing to the Reformation, or to being isolated converts, or other causes, are without special Masses and prayers. The aims and objectives of the Guild for the year included the raising of money, primarily achieved by investing activities, and the making of grants.

The trustees are aware of the Charity Commission guidance on Public Benefit and confirm that they have complied with the duty in Section 17 of the Charities Act 2011 to have due regard, aims, activities and achievements in the areas of interest that the Guild supports which demonstrates the benefit to its beneficiaries and through them to the public that arise from those activities.

The Guild fulfils this requirement in that all its grants, which form the greater part of its expenditure, are given as unconditional gifts to the poorest parishes throughout England and Wales. They provide for the maintenance and repair of churches and chapels as places of worship of Almighty God and the provision of stipends or income for the clergy officiating at them. There is a further public benefit in that so many of the poor parishes receiving grants from the Guild have few other sources of financial support while the facilities provided by these grants are used for community and social purposes as well as for the public worship of Almighty God.

The trustees are satisfied that the benefits provided are directly related to the charity's aims, and they confirm that the opportunity to benefit is restricted solely by the availability of funds. They further confirm that those in poverty are not excluded, that benefits provided outweigh any detriment, and that the charity's beneficiaries are entirely appropriate to its aims. Finally, whilst the trustees are unaware of any private benefit gained, they confirm that, were such to occur, it would be purely incidental.

ACHIEVEMENTS AND PERFORMANCE

The Council is responsible for the governance of the charitable and fundraising activities of the Guild. As in previous years, funds raised through investing and other activities have been distributed at the Council's discretion.

FINANCIAL REVIEW

The Guild is reliant on income from donations, legacies and from investments. 2017 saw a decrease in income from £688,892 to £426,337 primarily as a result of a reduction in legacy income. The Guild maintained its level of grants to poorer parishes and its grant of £50,000 (2016 £50,000) to the Walsingham Trust in order to support the pastoral care of the Shrine.

The trustees consider that there are no material uncertainties about the Guild's ability to continue as a going concern.

TRUSTEES' ANNUAL REPORT *(continued)*

INVESTMENT POLICY AND PERFORMANCE

The investment portfolio is managed by Cazenove Capital Management with the investment objective to provide predominantly income with capital growth. All investments decisions are made at meetings and agreed by the Investment Committee. The trustees are satisfied with the performance in an uncertain market.

RISK MANAGEMENT

The principal risks faced by the Guild lie in the performance of investments and operational risks from ineffective grant making and the capacity of the Guild to make effective grants.

The variability of investment returns is mitigated by the retention of expert investment managers and having a diversified investment portfolio.

As regards grant making the trustees review the payment of these annually and reports are received from parishes on how the grants have been utilised.

RESERVES POLICY

The Guild has maintained a consistent policy since 1972 of accumulating and retaining funds from which sufficient income may be generated to continue making grants at a useful level for the foreseeable future.

PLANS FOR THE FUTURE

The Guild continues to look at what activities it might undertake to further its aims. In particular the Guild is working on a venture, the Dowry Tour, with the Walsingham Trust to increase the outreach of the Guild. The Dowry Tour will visit the diocesan cathedrals of England over an 18 month period to culminate in an act of re-dedication on the Sunday following the Annunciation in 2020.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Guild is governed by a written Constitution, revised 20 June 2012, and is a Registered Charity Number: 232716 under the category 'Religious activities' with the aims of providing support for Roman Catholic parishes in England and Wales.

The governance of the Guild is vested in an Executive Council ("Trustees") and they have power to regulate the work and scope of the Guild's activities in such a manner as they may deem expedient. The Council is responsible for the governance of the charitable and fundraising activities of the Guild.

The Executive Council is presided over by a Chairperson who has delegated authority over day to day matters. The Council meets regularly to discuss and review the Guild's affairs.

No trustee received any remuneration or expenses during the year.

New Executive Council members (trustees) may be appointed by the Executive Council to fill a vacancy but may otherwise be elected at the Annual Meeting of the Guild. New trustees are invited to join the Executive Council if it is considered they have the prerequisite ability to discharge their duties as a trustee and invariably have a sound knowledge of the objectives of the Guild. Training is by way of induction into the regular meetings of the Executive Council.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Trustees' Annual Report of the Guild and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice). The law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources of the charity for that period. In preparing these financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping proper accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The trustees are responsible for the maintenance and integrity of the charity and the financial information included on the charity's website. Legislation in the United Kingdom governing the preparation and dissemination of financial statements may differ from legalisation in other jurisdictions.

INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES OF THE GUILD OF OUR LADY OF RANSOM

YEAR ENDED 31 DECEMBER 2017

Opinion

We have audited the financial statements of The Guild of Our Lady of Ransom ('the charity') for the year ended 31 December 2017 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 December 2017 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the *Auditors' responsibilities for the audit of the financial statements* section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The other information comprises the information included in the annual report, including the trustees' report, other than the financial statements and our auditors' report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

**INDEPENDENT AUDITORS' REPORT TO THE TRUSTEES
OF THE GUILD OF OUR LADY OF RANSOM (*continued*)**

YEAR ENDED 31 DECEMBER 2017

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' report.

We have nothing to report in respect of the following matters in relation to which the Charities (Accounts and Reports) Regulations 2008 require us to report to you if, in our opinion:

- adequate and proper accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement set out on page 4, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

We have been appointed as auditor under Section 144 Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditors' report.

OF THE GUILD OF OUR LADY OF RANSOM (*continued*)**

YEAR ENDED 31 DECEMBER 2017

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose.

To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Lynch & Co is eligible for appointment as auditor of the charity by virtue of its eligibility for appointment as auditor under section 1212 of the Companies Act 2006.

NOTES TO THE FINANCIAL STATEMENTS

YEAR ENDED 31 DECEMBER 2017

1. ACCOUNTING POLICIES

Basis of accounting and assessment of going concern

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard 102, the Charities Act 2011 and applicable regulations. The Guild constitutes a public benefit entity as defined by FRS 102.

In preparing the accounts, the trustees have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP a restatement of comparative items was needed. No restatements were required. The financial statements have been prepared under the historical cost convention with items recognised at cost or transaction value unless otherwise stated in the relevant note(s) to these financial statements. The trustees consider that there are no material uncertainties about the Trust's ability to continue as a going concern.

Funds

Restricted funds are funds which are to be used in accordance with specific instructions imposed by the donor or trust deed. Unrestricted income funds comprise those funds which the trustees are free to use for any purpose in the furtherance of the charitable objects. Designated funds comprise those funds which have been set aside by the trustees for a specific purpose. Further details of each fund are disclosed in note 9.

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Furniture and equipment - 15% on the reducing balance

The Trustees consider that the difference between the cost and residual value of freehold property is not material and on this basis no depreciation is provided.

Incoming resources and legacies

Incoming resources are recognised once the charity has entitlement to the resources, it is probable that the resources will be received and the monetary value can be reliably measured. Legacy gifts are recognised on a case by case basis following the grant of probate when the administrator / executor for the estate has communicated in writing both the amount and settlement date.

Grants payable

Grants payable are payments to third parties in furtherance of the charitable objects of the Trust. Grants are recognised when approved by the Trustees.

Charitable activities

Costs of charitable activities include grants made, governance costs and support costs.

Retirement benefits

Retirement benefits are expensed when paid (see notes 12 and 13).

Investments

Investments are shown at fair value and include investment cash held with brokers. The surplus or deficit arising from the revaluation is included in the Statement of Financial Activities. Investment assets are valued using the accepted market closing price or, if unavailable, a quoted or manufactured mid-price. Investment cash held with broker is included within investments; income cash held with broker is included within cash at bank and in hand.
